

# About CAR DETAILING

**DON'T PAY \$2000+ FOR DEALERSHIP PAINT PROTECTION!**

*Get better ceramic coating, prep & warranty - for less*

## Dealership Paint Protection:

- Generic Products with inflated pricing
- Often applied by unknown third-party contractors
- No paint correction - just rushed coating over unprepped paint
- Hidden fine print in their "lifetime" warranty

## Ours Is Better:

- Use Always Dry USA premium coatings (5-9 years durability)
- Full surface decontamination & paint correction before coating
- Hand-applied by certified detailer, not outsourced
- Transparent, real-world warranty with support
- Cost: from \$699

## Real Results You Can See!

- Crystal-clear gloss
- Dirt resistant
- Water-beading
- Long-lasting UV and chemical protection
